

Brothers and Sisters in Christ,

The season of Lent starts this **Wednesday, February 14th**. Ash Wednesday Masses will be held at **10:00 a.m.** at **Sacred Heart** and **6:00 p.m.** at **St. John the Baptist**. We have the rare coincidence of Ash Wednesday and Valentine's Day converging on the same day. Many people may see this as incongruous, as Ash Wednesday is a penitential day in the life of the Church and Valentine's day is celebration of romantic love. Nevertheless, this incongruity should remind us of the backbone of romantic love – sacrificial love or as Greeks say, *agape*. This type of love, the gift of self for the good of another, should be the basis of all relationships, particularly the relationship of marriage, where husband and wife mutually seek the good of each other. The season of Lent is a time when we should grow in sacrificial love, desiring to love God and neighbor more. Our penances and sacrifices remind us to do this. (Catholics are asked to fast and abstain from meat on **Ash Wednesday** and **Good Friday** and to abstain from meat on Fridays of Lent. More details, as well as exceptions, are explained elsewhere in this bulletin.) Ashes, also, remind us of our own mortality. This, in turn, should lead us to put our lives more in God's hands, our creator and Father, who desires us to live with Him in eternity.

World Day of the Sick falls on **February 11th**. It coincides with World Marriage Day which is celebrated the Sunday before Valentine's Day. We should remember in our prayer all married couples and all of our sick brothers and sisters. Both of these days remind us of two of the Church's sacraments – the Anointing of the Sick and Matrimony. In the Sacrament of the Anointing of the Sick, the sick person is united more closely to Christ, sharing in the Lord's Passion. The sacrament strengthens the sick person against discouragement and despair as they deal with their illness. It can also provide healing for the body and the spirit. It can provide forgiveness of sins to those unable to confess their sins. It is given to Catholics who have reached the age of reason and have begun to become seriously ill, are facing surgery or even dying, although one does not have to be dying to receive the sacrament. Matrimony, of course, is that covenant in which husband and wife establish a partnership for the whole of life, ordered to each spouse's good and the procreation and education of children. Christ infuses both sacraments with His grace and both the sick and married couples witness to God's presence in their lives.

I pray that you all have a good week and a good Lent.

AROUND US

Ash Wednesday is February 14: At the beginning of Lent, on Ash Wednesday, ashes are blessed during Mass, after the homily. The blessed ashes are then "imposed" on the faithful as a sign of conversion, penance, fasting and human mortality. The ashes are made from the palms used at the previous Passion Sunday ceremonies.

Church Regulations Regarding Fasting and Abstinence during

Lent: Abstinence from meat (beast or fowl) is to be observed by all Catholics **fourteen years and older** on Ash Wednesday and on all Fridays of Lent. This obligation prohibits the eating of meat, but not eggs, milk products, or condiments of any kind, even though made from animal fat.

The law of fasting on Ash Wednesday and Good Friday applies to all Catholics from age 18 through age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. Those who are ill or pregnant may be dispensed from their obligation.

World Day of the Sick: February 11 is World Day of the Sick, an observation started by Pope John Paul II as a way for believers to offer prayers for those suffering from illnesses. The day coincides with the commemoration of Our Lady of Lourdes. Pope John Paul II initiated the day in 1992 to encourage people to pray for those who suffer from illness and for their caregivers. People around the world take the time to pray for the sick and for those who work very hard to alleviate the sufferings of the sick on this day. **Please remember in your prayers those who are sick or suffering, especially those who are in hospitals, nursing facilities or homebound.**

Holy Father's Intention for the Month of February: You are invited to answer the Holy Father's request and to join with many people worldwide in praying for the following intention:

That those who have material, political or spiritual power may resist any lure of corruption.

"We need to see with the eyes of faith, the beauty of God's saving plan which is the link between the natural environment and the dignity of the human person."

~ Pope Francis

He stretched out his hand, touched him, and said to him, "I do will it. Be made clean." The leprosy left him immediately, and he was made clean. – Mark 1:41-42

An Act of Kindness

It was but a sunny smile,
And little it cost in the giving,
But it scattered the night like the morning light
And made the day worth living.
It was but a kindly word,
A word that was lightly spoken,
ET not in vain for it chilled the pain
Of a heart that was nearly broken.
It was but a helping hand,
And it seemed of little availing,
But its clasp was warm, it saved from harm
A brother whose strength was failing.
